

# THE STORY OF THE LEATHER WRAPPED VILLAGE

(BLUEY EDITION)

Once upon a time there  
was a village.  
And in the village, everyone  
walked around barefoot.

One day the Queen decided  
to get off her litter and have  
a walk around.

So the Queen walked a  
few steps,  
and stood on a prickle.

The Queen discovered  
that her whole kingdom  
was covered in prickles.

What was she to do?

So the Queen had an  
idea.

She will cover the **WHOLE**  
kingdom in **LEATHER**.  
That way, no one will ever  
stand on the prickles  
again.

The Queen just couldn't  
do any more.  
She was too tired.

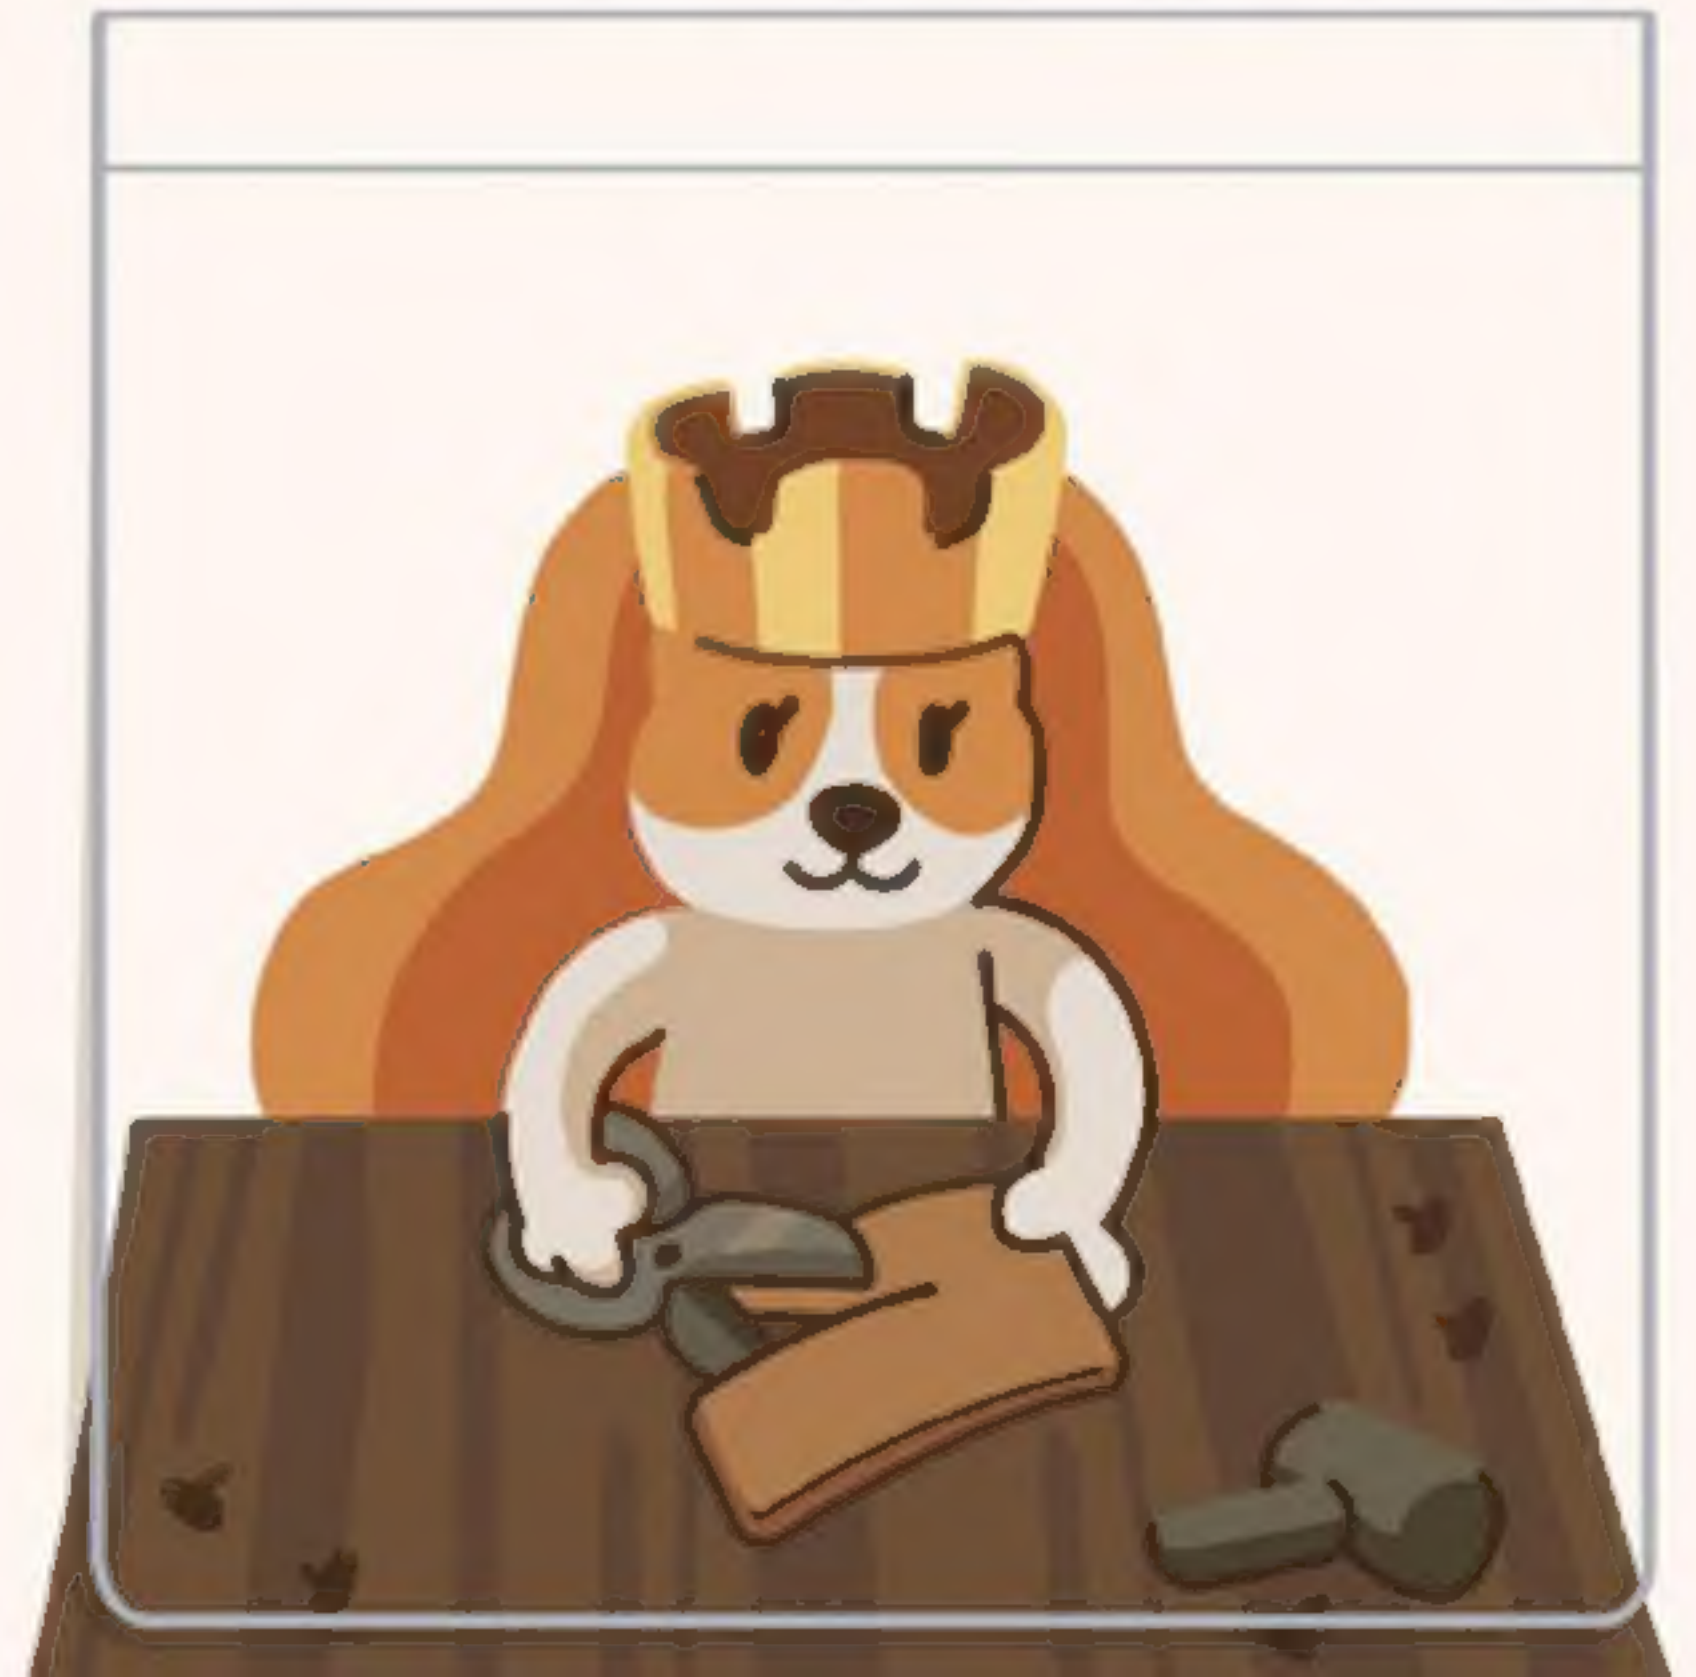

But then the Jester said to the Queen,  
"Your Majesty, instead of covering  
your whole kingdom in leather..."

...why not just cover  
your feet?"

So the Queen cut two  
little bits of leather...

and made them into  
shoes!

Now the people could walk  
anywhere they wanted and  
the prickles couldn't  
hurt them.

And they all lived  
happily ever after.

THE QUEEN SEES  
THAT THERE'S AN  
ISSUE IN HER  
KINGDOM AND  
USES HER  
CREATIVITY IN  
ORDER TO SOLVE  
IT. WHEN ONE  
SOLUTION  
DOESN'T WORK,  
SHE USES BITS  
FROM IT TO  
CREATE A NEW  
ONE.
